Subject: RE: Marvin's Conversation with Attorney Keith Ham--- Wilcox request for access
Date: Tuesday, May 05, 2015 4:08:04 PM

Katrina:

Good-news ! Attorney Keith Ham just called me.
He stated that he has just gotten EPA's letter to him dated April 30, 2014. Attorney (b) (6) stated that he has no problems with Mr. (b) (6) signing the access agreement.

Attorney Ham stated that he does not have the phone number of his client (b) (6). Attorney Ham told me that he has no problem with EPA contacting Mr. (b) (6) and telling him to come by his office for the purpose of signing the access agreement.

As we ended our phone call, I also informed Attorney Ham that earlier today we had sent out via certified mail today another copy of EPA's April 30, 2015 letter.

Thanks,

Marvin, Here is the final copy that will be mailed today.

Todd was meeting with Mr. (b) (6) yesterday, and we were hopeful that he would sign the revised agreement. So I decided to hold the letter until I knew whether he would sign or not so that there would be not confusion if a second request showed up at the attorney's office. He did not and will be talking with his attorney, so the letter is being mailed out today. By Monday, both the attorney and Mr. (b) (6) will have a copy of the revised request for access.
